The BEE Award

BEE Exceptional Everyday

Want to Thank a Caregiver?

The BEE Award was created to
recognize exceptional caregivers in
non-licensed nursing roles. Based on
the success of the DAISY Award
program and its positive impact on the
nursing profession, the Tomah VA
Medical Center implemented a
recognition program for Nursing
Assistants, Health Technicians and
Social Services Assistants. If you had
an outstanding Veteran experience,
allow us to honor the Caregiver who
provided your quality compassionate
care and service.
