

What is PRRC?

Psychosocial Rehabilitation Recovery Center (PRRC) is designed to be an academic center of learning for veterans diagnosed with Serious Mental Illnesses.

PRRC Mission

PRRCs provide veterans with a transitional educational center that will inspire and assist them to reclaim their lives, instill hope, validate strengths, teach life skills, and facilitate community integration in meaningful self-determined roles.

PRRC Program Description

PRRC is a program that offers you assistance and ongoing support if you have a diagnosis of a Serious Mental Illness (SMI) and you want to take positive steps towards changing your life and moving forward.

Staff works closely with you to assist in developing life skills and coping skills that allow you to achieve your unique potential.
